

longer be with us in the next Congress, which is, on that level, unfortunate. On the other hand, the reason she won't be with us is because she is the mayor-elect of Los Angeles, and that is not unfortunate. I am very happy about that, but I have mixed feelings because we won't be seeing her here again.

Mr. Speaker, I urge all of my colleagues to support this important legislation, and I yield back the balance of my time.

Ms. LEE of California. Mr. Speaker, I rise today in support of H.R. 6878, the Protecting the Health and Wellness of Babies and Pregnant Women in Custody Act of 2022. I am proud to support this bill and thank my good friend and colleague Congresswoman BASS for her leadership. I also thank the Speaker and Chairman NADLER for bringing this bill to the floor.

Our prison system was not designed with the medical needs of women and pregnant people in mind. This holds especially true for women and pregnant people of color, who are often subjected to harsher treatment at more frequent rates.

This bill moves us in the right direction by establishing safeguards for incarcerated pregnant and postpartum individuals and their children by guaranteeing access to essential prenatal and post-delivery support.

As a champion of reproductive and women's rights, I hope to continue joining my colleagues on a bipartisan basis to ensure incarcerated women and pregnant people have the right to access the quality health services they deserve.

I urge my colleagues to vote 'yes' on this bill.

The SPEAKER pro tempore. All time for debate has expired.

AMENDMENT NO. 1 OFFERED BY MS. LOIS FRANKEL OF FLORIDA

The SPEAKER pro tempore. It is now in order to consider amendment No. 1 printed in part D of House Report 117-587.

Ms. LOIS FRANKEL of Florida. Mr. Speaker, I rise as the designee for the gentlewoman of Massachusetts (Ms. PRESSLEY), who is a great advocate for justice and women. I have an amendment at the desk.

The SPEAKER pro tempore. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 13, line 7, strike "and".

Page 13, line 10, strike the period and insert "; and".

Page 13, after line 10, insert the following: (iii) postpartum health conditions.

The SPEAKER pro tempore. Pursuant to House Resolution 1499, the gentlewoman from Florida (Ms. LOIS FRANKEL) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentlewoman from Florida.

Ms. LOIS FRANKEL of Florida. Mr. Speaker, this amendment makes one addition to the bill to ensure that incarcerated women have access to essential postpartum healthcare and support.

The Pregnant Women in Custody Act includes a provision related to women

who give birth while in custody or immediately prior to incarceration. This provision requires that women be given access to counseling services related to parental rights and family preservation.

The amendment will add an additional component to ensure women also receive counseling services related to postpartum care because we know that women are physically and emotionally vulnerable after giving birth.

This addition to the bill will help women navigate that often complex and difficult time period and ensure adequate access to healthcare.

Mr. Speaker, I urge my colleagues to support this amendment, and I reserve the balance of my time.

Mr. FITZGERALD. Mr. Speaker, I claim the time in opposition to the amendment, although I am not opposed.

The SPEAKER pro tempore. Without objection, the gentleman from Wisconsin is recognized for 5 minutes.

There was no objection.

Mr. FITZGERALD. Mr. Speaker, this amendment allows certain women in Federal custody to receive counseling related to postpartum health conditions. Postpartum women in Federal custody will be eligible to receive counseling services related to postpartum health conditions.

After giving birth, many women struggle with postpartum depression and other psychological and physical conditions. This amendment will ensure that women in Federal custody have access to these services.

While many of us have concerns with some of the other language in the bill, this amendment is a commonsense amendment.

Mr. Speaker, I urge support for the amendment, and I yield back the balance of my time.

Ms. LOIS FRANKEL of Florida. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, it really pleases me that we have this very good bipartisan legislation; and I know it is probably heartening to the citizens of our country that we can come together on important matters.

This is about the children. This is about getting children off to a good start so that they can thrive; so they can have opportunities for success; and there is nothing more important, really, than having good caregivers, their parents, especially their mom, who gives birth.

This amendment will make sure that women who have been incarcerated get the postpartum care that they need and that their children deserve.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to the rule, the previous question is ordered on the the bill and on the amendment offered by the gentlewoman from Florida (Ms. LOIS FRANKEL).

The question is on the amendment offered by the gentlewoman from Florida (Ms. LOIS FRANKEL).

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on passage of the bill.
